**Notes;**

The City of Roxbury was annexed to Boston on January 6, 1868. Fire alarm boxes were assigned numbers in the 200 series.

The new four digit numbering system was introduced in 1913. The first numbers in the 2100 series were introduced in 1915.

Some boxes with numbers in the 2100 series were given different numbers in the 2100 series or changed to numbers in the 2200 series beginning on June 3, 1965.

The letter p next to the box number indicates phantom box.
