**Notes;**

The City of Roxbury was annexed to Boston on June 6, 1868 and Fire Alarm boxes were numbered in the 200 series.

The new four digit number system was introduced in 1913 and the first box using the 2200 number series was assigned in 1913.

Some boxes with numbers in the high 2100 series were changed to numbers in the 2200 series beginning on June 3, 1965.

The letter p next to the box number indicates phantom box.
