Notes;

When West Roxbury was annexed to Boston on January 5, 1874, Fire Alarm boxes retained their original numbers.

On March 15, 1878, Fire Alarm boxes in West Roxbury were assigned new numbers in the 500 series.

A new four digit number system was introduced in 1913 and Fire Alarm boxes in Jamaica Plain were assigned new numbers in the 2400 series beginning in 1916.

Between March and June of 1948, some boxes in the 2400 series were given different numbers in the same series.

The letter p next to the box number indicates phantom box.
