**Notes;**

West Roxbury was annexed to Boston on January 5, 1874. Numbers on the Fire Alarm boxes were not changed. New numbers in the 500 series were assigned on March 15, 1878.

The new four digit number series was created in 1913. The first numbers in the 2700 series were first assigned to boxes in West Roxbury in 1915.

In November, 1928 some boxes in the 2700 series were renumbered to different numbers in the 2700 series.

Between March and June of 1948, there was a general renumbering of Fire Boxes in West Roxbury. The new 2800 series was established and assigned to boxes which formerly had numbers in the 2700 series.

The letter p next to the box number indicates phantom box.
