Notes;

The first Fire Alarm boxes in East Boston were assigned numbers using the District/Station number system.

On April 28, 1864, three digit numbers in the high 100 series were assigned to boxes in East Boston. (151 - 187)

Between June 9 and June 20, 1887, all Fire Alarm boxes in East Boston were renumbered and assigned numbers in the 600 series.

Between November 10 and November 14, 1928, Fire Alarm boxes in East Boston were changed to four digit numbers in the 6100 and 6200 series.

The letter p next to the box number indicates phantom box.
