### Notes;

West Roxbury was annexed to Boston on January 5, 1874 and Fire Alarm box numbers were not changed. New numbers in the 500 series were assigned to that District on March 15, 1878.

The new four digit number series was introduced in 1913. The first numbers in the 2700 series were assigned to West Roxbury in 1915.

Between April and June of 1948, there was a general renumbering of fire alarm boxes in West Roxbury involving the 2500, 2600, and 2700 series.

The letter p next to the box number indicates phantom box.
